2023...AND BEYOND!

A WORD FROM THE APL MAJOR EVENTS DIRECTOR

After a record-breaking 2022 APLPT Calendar, we've raised the bar in 2023 by constructing an amazing and jam-packed 2023 Schedule. Featuring new events and new locations, the 2023 APLPT Calendar provides endless "must-attend" stops across some of the best venues in the country.

Where we're going...

2023 begins at our spiritual home on the Gold Coast, Southport Sharks. The current host of the APL Million, Southport Sharks offers players a relaxed and comfortable environment alongside one of the country's most prestigious and successful Football clubs.

The New South Wales legs of the Tour include return visits to both Canterbury-Hurlstone Park RSL and Castle Hill RSL, as well as a May series at the "leading landmark destination for entertainment in Western Sydney", West HQ (Rooty Hill RSL). All will stage 6-day series, and all promise to eclipse the heights reached in 2022.

How does "Poker in Paradise" sound? That's exactly what's on offer at The NQ Classic in February and The Ville600 in November at The Ville Resort and Casino in Townsville. If there is a more luxurious place to stay and play we are yet to find it! Book early as the Resort fills fast!

When it comes to South Australia, there is only one venue – the magnificent SkyCity Adelaide Casino complex. Due to overwhelming public feedback, 2023 will see the APLPT visit S.A. twice (in July and October). Arguably the most enjoyable stop on the Tour, South Australia continues to provide a world-class venue in the centre of the City of Churches. Absolutely not to be missed.

Fresh from a debut series at the Commercial Club in Albury in October 2022, the sheer volumes of players and extensive positive feedback received ensured that there'd be two stops required in 2023. Lock in the Queen's Birthday weekend in June and mid-November to take on the best the Murray region has to offer.

Looking for a sea change? Look no further than the picturesque surroundings of Wrest Point Casino in Hobart. Boasting some of Tasmania's finest dining and entertainment, the Wrest Point complex needs to be seen to be believed. The APLPT Tasmania ship docks on the 22nd of June...and then explodes with non-stop action over a 4-day series!

Last but certainly not least, (and by never-ending and continuous popular demand), the APLPT finally returns to Club Italia in Victoria in mid-March of 2023. The home of many APLPT records, the Victorians are sure to arrive en masse to attempt to conquer what will undoubtedly be enormous fields. Look for a new and improved 6-day offering in the Garden State with the series prize pool expected to top \$1.2million.

APL Million Main Event

2022 saw the \$1,500 APL Million Main Event reach heights previously unseen worldwide outside of a casino environment. Eventually locking out a whopping 1,658 entries, it was Queenslander Chao Li who eventually claimed the crown...and the mammoth \$400,900 top prize!

Over 700 satellite qualifiers from across the country joined some of the nation's top players to tackle the 5-flight, 4-day Main Event, amid a series that boasted 43 Events and an eventual total series prize pool of \$5,457,105.

The 2023 APL Million (18-28 August at Southport Sharks, Gold Coast) promises to eclipse even 2022's efforts – and is surely an Event not to be missed. Satellites run constantly nationwide – lock up your seat now!

KEY APLPT EVENTS

"MUST-PLAY" EVENTS IN THE APLPT LANDSCAPE

Let's hear from our APL Ambassador Jackie Glazier...

THE CENTURION

\$2,500 ENTRY - 100K START STACK - 60-MIN LEVELS - 3-DAY EVENT - DEALER DEALT

One for the High Rollers! Usually the largest buyin on the schedule, the Centurion offers the best structure, and attracts some of Australia's best players as a result. The Centurion trophy is as prestigious as they come.

THE JACKSTAR

\$1,500 ENTRY - 80K START STACK - 40-MINUTE LEVELS - 2-DAY EVENT - DEALER DEALT

My personal favourite obviously! A superb structure with late registration until the end of the first level played Day 2, The Jackstar fields have just grown and grown. 194 entries in Albury recently is just the beginning...

MYSTERY BOUNTY

\$1,150 ENTRY - 50K START STACK - 30-MINUTE LEVELS - 2-DAY EVENT - DEALER DEALT

One of the new additions! Day 1 play continues until just 20% of the field remain, then all remaining players are issued with a Bounty chip on Day 2. In addition to the regular prize pool on offer, players win "Bounties" from each other for knock outs that entitle them to a "Mystery Bounty" that may contain \$500, \$1000, \$5000 or even \$10,000 and beyond! A new format that is sweeping the world!

DEEP FREEZE

\$600 ENTRY - 60K START STACK - 30-MINUTE LEVELS - SINGLE-DAY EVENT - DEALER DEALT

An old favourite. No frills No Limit Holdem with no re-entries and a deep, slow structure. Regularly assessed as the best value Tournament within the APLPT.

ONE-SHOT FREEZEOUT

\$240 ENTRY - 40K START STACK - 20-MINUTE LEVELS - SINGLE-DAY EVENT - DEALER DEALT

Our cheapest dealer-dealt Event, the One-Shot ensures each series begins with a bang!

MINI HIGH ROLLER

\$450 ENTRY - 50K START STACK - 25-MINUTE LEVELS - SINGLE-DAY EVENT - DEALER DEALT

A Saturday afternoon special, the Mini High Roller attracts players of all shapes and sizes, and regularly offers a prize pool in excess of \$50,000. One not to miss.

MONSTER STACK

\$350 ENTRY - 75K START STACK - 20-MINUTE LEVELS - SINGLE-DAY EVENT - DEALER DEALT (IN MOST STATES)

One of the few advantages to not making Day 2 of the Main Event is that you're free to play the Monster Stack! Has attracted some of the largest fields we've seen and plays alongside Day 2 of the Main Event.

JDub Poker is excited to be able to sponsor APL Women's Events in 2023 to bring awareness and respect to women in the game of poker. These events will assist to create a culture where women celebrate and encourage each other while growing in confidence and skills in the poker community.

If an event such as the Women's event can spotlight great skills and strategies of women, as well as inspire other females to come and try poker, then it is poker that wins. From that we all as players, regardless of gender, benefit.
